

## HIGH-PRESSURE ACTIVITY TABLES

### Standard Features:

- Designed for heaviest School and Church use, Correll Activity Tables meet or exceed specs for all major brands
- 1 1/4" Thick High Density Particle Board Top with real High-Pressure Top Laminate, resists scratches, paint, markers, crayons, and food and juice stains far better than Melamine
- Backer Sheet to resist warping, plus extra bracing on larger sizes
- Leg Mounting Brackets pre-attached with 7 screws. Three additional screws in Leg Plate, and oversize Hairpin Brace make this the strongest leg mounting system in the industry.
- Shoulder on leg set screw provides an extra margin of safety, even if not properly tightened, making these the safest Activity Tables you can buy
- Free Speed-Wrench with every table, for fast, easy, height adjustments
- STANDARD legs adjust from 21" to 30" in 1" increments
- Short legs adjust from 16" to 25" in 1" increments
